Vision and Mission

Quality, Reliability, and Affordability for a
Brighter Future.

Vision

To be the most reliable and preferred supplier in the Middle East, Africa and Asia meeting customer expectations and requirements with the highest quality and service standards

- **Reliable Supplier:** We strive to be the most trusted supplier across the Middle East, Africa and Asia offering high-quality products and services.
- **Customer-Centric Approach:** Our focus is on meeting customer expectations with tailored solutions that ensure satisfaction and long-term relationships.
- **Commitment to Excellence:** We aim to deliver exceptional service and value, continuously improving to meet evolving market needs.

Mission

Our mission is to satisfy clients by delivering top-notch, reliable services and cost-effective solutions, always maintaining high standards of excellence and integrity without compromise.

- We emphasize a detailed, quality-driven approach, ensuring high standards in every aspect of our work.
- We carefully supply products to ensure excellence in our operations and foster strong relationships with customers.
- We focus on creating long-term value for clients through tailored, cost-effective solutions that contribute to their growth and success.

Browse Al Ramiz's Extensive Products

At Al Ramiz, we blend expertise and excellence to deliver a broad selection of high-quality products. Our commitment to innovation is evident in every item. Explore our range today

1

Air Conditioning

We provide air conditioning solutions, offering compressors, copper coils, fittings, insulations, PVC tapes, flair nuts, contactors, and refrigerant gases. Committed to quality and innovation, we ensure efficient cooling and reliable performance for residential, commercial, and industrial applications.

2

Ducting & HVAC

We provide ducting and HVAC solutions, offering P-I sheets, PIR glue, diffusers (supply & return), slotted channels, thread rods, PVC invisible flanges, and PVC H-bayonets. Our innovative products ensure efficient airflow and reliable performance in all applications.

3

Refrigeration & Chillers

We provide top-quality refrigeration and chiller components, including G-I sheets, actuator valves, stuck-up pins, acoustic liners, D-48, and vibration observers. Our products are designed for efficient performance and reliability in commercial and industrial refrigeration systems.

4

Water Heaters & Elements

We specialize in heaters and elements, offering products such as thermostats, water heaters, hot plates, and all types of heating elements (M-type, U-type, O-type). We also manufacture custom elements as per sample, ensuring efficient and reliable heating solutions for various applications.

5

Tools & Safety products

We provide a wide range of tools and safety products, including safety shoes, gloves, jackets, harnesses, warning tapes, and safety cones. Our high-quality safety equipment ensures protection and reliability for workers in various industrial and construction environments.

6

Rewinding Materials

We offer high-quality rewinding materials, including copper wire, fiberglass sleeves, rewinding machines, rewinding farms, wedges sticks, and rewinding paper. Our products are designed to ensure durability and efficiency in motor rewinding and electrical maintenance applications.

7

Washing Machines

We supply essential washing machine components, including gearboxes, timers, drain pumps, capacitors, motors, and impellers. Our high-quality parts ensure reliable performance and durability for washing machines in residential and commercial applications.

Our Projects

Quality, Reliability, and Affordability for a Brighter Future.

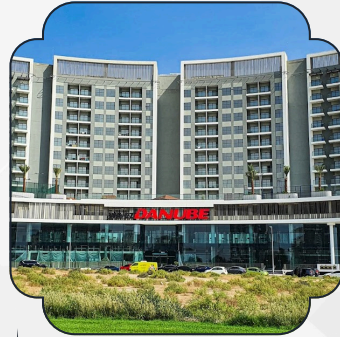

Our Contribution to Expo 2020 Dubai

- ✓ Supplied premium air conditioning, ducting, and HVAC Materials for optimal climate control.
- ✓ Delivered high-performance refrigeration and chiller Products in different Pavilions.

Our Role in Waves By Danube

- ✓ Provided advanced air conditioning, ducting, and HVAC materials for enhanced indoor air quality.
- ✓ Supplied high-quality insulation materials ensuring energy efficiency and temperature control throughout the project.

AI Marsa Residentials, Dubai Marina

- ✓ Supplied premium ducting solutions ensuring optimal airflow and energy efficiency throughout the project.
- ✓ Delivered a wide range of tools and safety products ensuring secure and efficient operations.

Our Projects

Quality, Reliability, and Affordability for a Brighter Future.

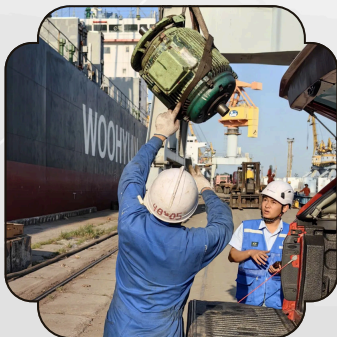

IBIS 5-Star Hotel BURJ KHALIFA Area

- ✓ Supplied energy-efficient HVAC and ducting solutions for superior air circulation and comfort.
- ✓ Supplied durable insulation materials to enhance energy efficiency and temperature control throughout the hotel.

Commercial & Residential Building Al Jadaf Dubai

- ✓ Provided advanced tools and safety products to ensure secure construction and maintenance operations.
- ✓ Supplied energy-efficient HVAC and ducting solutions for optimal air circulation across the building.

Dubai Ship Building LLC Dubai Maritime city LLC

- ✓ Delivered high-quality rewinding materials for efficient motor maintenance and electrical operations.
- ✓ Supplying premium rewinding materials, including copper wire and fiberglass sleeves, Rewinding Paper.

Our Projects

Quality, Reliability, and Affordability for a Brighter Future.

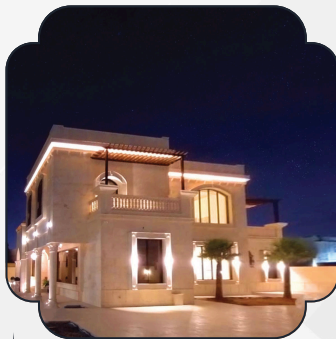

Boulevard Crescent Penthouse, Dubai

- ✓ Delivered high-quality water heaters and elements for reliable hot water solutions.
- ✓ We manufacture custom heating elements tailored to client specifications and samples.

Private Villa Fujairah UAE

- ✓ Delivered advanced air conditioning, ducting, and HVAC materials for superior indoor climate control.
- ✓ Supplied high-performance water heaters and elements, including custom-designed heating solutions.

Al Sundus Kindergarten Sharjah UAE

- ✓ Provided advanced air conditioning and HVAC materials for optimal indoor air quality and comfort.
- ✓ Delivered specialized tools and safety products to ensure precise and secure installations.
